Preschool Prep

Our popular Preschool Prep Class is back! This 2-week class is a crash course into preschool. During the session, we will practice classroom and circle time behavior. We will practice transitioning through learning centers including; arts & crafts, sensory exploration, math or literacy games, science experimentation and more. Students will have time for free play to work on problem solving with peers, singing and dancing... If your child is new to preschool, this is the class for you! Space is limited!
